CONSULTENZ advised
SEA BER TRANSIT Group (S.B.T.)
in its sale to the Group
LEON VINCENT OVERSEAS

CONSULTENZ served as M&A advisor to **SEA BER TRANSIT (S.B.T.)**, based in Marignane near Marseille, supporting it in the selection of its buyer, the **LÉON VINCENT OVERSEAS** Group, resulting in a successful acquisition transaction that was completed in March 2022.

French Group **LÉON VINCENT OVERSEAS**, headed by Philippe MASSOT, has recently established a presence in the Middle East, the United States and the United Kingdom and is seeking to continue its geographical expansion and develop its range of services. The company of 750 employees recorded revenues of EUR 600 million in 2022.

The SEA BER TRANSIT Group is an international freight forwarder that arranges the worldwide transport of goods by sea and air. In addition to its head office and significant business operations near Marseille, it has a number of other sites, in particular logistics sites in Le Havre and offices in the French overseas departments and territories. With expert knowledge of the French Overseas Departments, Regions and Collectivities (mainly Martinique, Guadeloupe and Guyana), the company also covers other destinations on most continents. It generated revenues of over EUR 14 million in 2022.

With this merger, the SEA BER TRANSIT group secures the future of its teams within the LÉON VINCENT OVERSEAS group, strengthening their position as experts in the traditional markets of the French overseas departments and territories.
